Toolkit
Welcome to the Training & Marketing Toolkit for SchoolRooms! This toolkit is designed for all public libraries and schools as a place to store handouts, e-learning tutorials and other marketing & training related materials. Please feel free to use these resources and brand them with your library's information. SirsiDynix also has a SchoolRooms marketing wiki with additional brochures, logos, bookmarks, and other support materials.  Curriculum Tips

How can you use SchoolRooms to find information that supports a South Carolina academic standard?   Teachers can use these resources for lesson plans and classroom activities, and students can find information to complete projects, reinforce learning, and obtain study materials. This monthly feature will provide you with easy tips on how to find resources for a particular subject.

USHC-7.2   Explain cultural responses to the period of economic boom-and-bust, including the Harlem Renaissance; new trends in literature, music, and art; and the effects of radio and movies. (H, E)
